

MANAGEMENT OF CARE FOR FOREIGN PATIENTS LIVING IN FRANCE

If you are covered by the **"International Conventions"** system, we kindly ask you to bring **your European card, which is up to date on the date of treatment, and your passport or identity document (excluding driver's license)** for check-in.

We also ask you to complete our administrative information collection form by indicating **the address of your main residence (not the address in France) and to provide us with the details of your private insurance**, if you have one, **as well as your email address**.

If you do not have a "European card", we kindly ask you to bring your private insurance with you and to inform her by phone of the need to come see you at the Narbonne Hospital. The administrative reception staff will give you a Status Report that you must send to your private insurance company on the same day.

In the case of a simple consultation, we will ask you to pay for care upon discharge:

<u>Emergency Patient Plan:</u>	€23.00
<u>Age Package:</u>	€51.40 (0-3 months) - €30.10 (4 months-15 years) - €35.20 (16-44 years) - €41.11 (45-74 years) - €49.27 (75+ years)
<u>Scanner or MRI package:</u>	€91.71 or €158.21
<u>Imaging Supplement:</u>	€34.66 or €54.54
<u>Biology supplement by age:</u>	€43.75 - €53 - €55.25
<u>Specialist Review Supplement:</u>	€31.50
<u>Emergency Arrival Mode Surcharge:</u>	€12.66
<u>Supported Criticality Supplement:</u>	€14.53 - €19.38
<u>Pediatric Care Supplement:</u>	€12.66 or €27.63

If you were to be hospitalized, **we kindly ask you to provide us within 24 hours of your hospitalization with coverage from your private insurance**, confirming their commitment to pay for your care. In the absence of this coverage, a first deposit corresponding to the first days of hospitalization must be paid.

Our 2026 day prices:
